

Gender Pay Gap Report – 2019/20

From 2017 employers with 250 or more employees are required by the government to publish snapshot data on their gender pay gap in several ways.

In common with other businesses that operate within the FM services industry we employ a large number of female workers. We always aim to treat all our employees equally regardless of gender and this is reflected in our figures.

Ethos Facilities Limited are very proud of our relationship with our 470-strong workforce and we lead the way in our industry with our commitment to career development and ongoing training. Ethos Facilities Limited is also fully committed to The Living Wage and we greatly value this principle. Ethos Facilities Limited are now a fully accredited Living Wage Employer

Ethos Facilities Limited Gender Pay Gap figures, in accordance with the requirement of the Equality Act 2010 (2017) as recorded on 29 March 2019 are as follows:
